

IN THE SPECIFICATION

On page 1 of the specification, please delete "AND MICHAEL WARD".

REMARKS

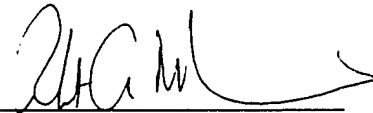

A review of the inventorship of the above-identified application has revealed that Michael Ward is not an inventor in this application. Applicants enclose new page 1 of the specification naming Michael A. Tischler as the only inventor.

Applicants concurrently file a Response to Notice to Filing Missing Parts enclosing the Declaration and Power of Attorney signed by inventor Michael A. Tischler and A Request for a Corrected Filing Receipt.

An early examination on the merits is earnestly solicited.

Date: February 19, 2002
